Section 3.02. Application of Proceeds of Notes. The proceeds of the Notes have been remitted by the Purchaser directly to the District. The District agrees and covenants that the proceeds of the Notes will be held in a segregated fund or account and will be used solely to pay or reimburse costs of the Project and will be used for no other purpose. Upon completion of the Project, the District shall provide a copy of the final invoice to the Owner, and shall promptly apply any remaining proceeds of the Notes in excess of amounts applied to payment of the costs of the Project to prepayment of the outstanding principal balance of the Notes, which prepayment shall be applied to reduce principal installments in inverse order of maturity.

Section 3.03. Costs of Issuance. Costs of Issuance shall be paid by the Owner from its Small Issuance Grant Program upon the submission of invoices therefor

The validity of the issuance of the Notes shall not be dependent on or affected in any way by (i) any proceedings taken by the District for the acquisition and construction of the Project or (ii) any contracts made by the District in connection therewith or (iii) the failure to complete the acquisition and implementation of the Project. The recital contained in the Notes that the same are issued pursuant to the Law and this Indenture shall be conclusive evidence of their validity and of the regularity of the issuance and all Notes shall be incontestable from and after their issuance. The Notes shall be deemed to be issued, within the meaning of this Indenture, whenever the definitive Notes (or any temporary Notes exchangeable therefor) have been delivered to the purchaser thereof and the proceeds of sale thereof received.

Section 4.01. Terms of Redemption. The Notes are subject to redemption at the option of the District as a whole or in part on any date, in inverse order of maturity, from moneys deposited in the Special Redemption Account pursuant to Section 5.05 of this Indenture, at the principal amount thereof and interest accrued thereon to the date fixed for redemption, without premium. In order to create an incentive for the District to prepay the Notes, the District shall receive an incentive rebate of principal from the Owner for prepayment in whole prior to the maturity date of the Note, as follows:

Prepayment Date	Rebate Amount
On or prior to 36 month anniversary of the Closing Date	10% of original principal

Each such notice shall also state that on said date there will become due and payable on each of said Notes the Redemption Price thereof or of said specified portion of the principal amount thereof in the case of a Note to be redeemed in part only, together with interest accrued thereon to the redemption date, and that from and after such redemption date interest thereon shall cease to accrue, and shall require that such Notes be then surrendered at the address or addresses of the Trustee specified in the redemption notice. Such redemption notices may be conditional.

Notice of redemption of Notes shall be given by the Trustee, at the expense of the District, for and on behalf of the District.

Section 4.03. Partial Redemption of Notes. Upon surrender of any Note redeemed in part only, the District shall execute and deliver to the Owner, at the expense of the District, a new Note equal in aggregate principal amount to the unredeemed portion of the Note surrendered.

Section 4.04. Effect of Redemption. Notice of redemption having been duly given as aforesaid, and moneys for payment of the Redemption Price of, together with interest accrued to the redemption date on, the Notes (or portions thereof) so called for redemption being held by the Trustee, on the redemption date designated in such notice, the Notes (or portions thereof) so called for redemption shall become due and payable at the Redemption Price specified in such notice and interest accrued thereon to the redemption date, interest on the Notes so called for redemption shall cease to accrue, said Notes (or portions thereof) shall cease to be entitled to any benefit or security under this Indenture, and the Owner shall have no rights in respect thereof except to receive payment of said Redemption Price and accrued interest.

All Notes redeemed pursuant to the provisions of this Article IV shall be canceled upon surrender thereof and delivered to or upon the Order of the District.

ARTICLE V

AVAILABLE MONEYS

Section 5.01. Debt Service Fund.

(a) On or before the twentieth (20th) day of each month and as long as any of the Notes remain Outstanding, the District shall pay to the Trustee, from Available Moneys, for deposit in the Debt Service Fund, commencing November 20, 2012, one-sixth ($1/6$) of the aggregate amount of interest becoming due and payable on the next ensuing Interest Payment Date on all Notes then Outstanding, until the balance in said account is equal to said aggregate amount of interest, and, commencing November 20, 2013, one-twelfth ($1/12$) of the aggregate amount of principal becoming due and payable on the Outstanding Notes, until the balance in said account is equal to said aggregate amount of such principal, all as is required by the Trustee to make the transfers and deposits required by Section 5.02 of this Indenture. Notwithstanding the foregoing, if five Business Days prior to any interest or principal payment date with respect to the Notes, the aggregate amount in the Debt Service Fund is for any reason insufficient or unavailable to make the required payments of principal (or Redemption Price) of or interest on the Notes then becoming due (whether by maturity, redemption or acceleration), the District shall forthwith transfer the amount of any such deficiency to the Trustee. Each transfer by the District to the Trustee hereunder shall be in lawful money of the United States of America and paid to the Trustee at its Principal Corporate Trust Office. All such moneys shall be promptly deposited by the Trustee upon receipt thereof in a special fund designated as the "Debt Service Fund" which the Trustee shall establish, maintain and hold in trust. All moneys deposited with the Trustee shall be held, disbursed, allocated and applied by the Trustee only as provided in this Indenture.

(b) If five days prior to an interest payment date or principal payment date the Trustee has not received moneys sufficient to make the transfers and deposits required in such month by Section 5.02 of this Indenture, the Trustee shall immediately notify the District of such insufficiency by telephone or facsimile delivery and confirm such notification by written notice.

Section 5.02. Allocation of Available Moneys. On or before the twenty-fifth (25th) day of each month preceding an Interest Payment Date or the date upon which principal becomes due and payable on the Outstanding Notes, the Trustee shall transfer from the Debt Service Fund and deposit into the following respective accounts (each of which the Trustee shall establish and maintain within the Debt Service Fund), the following amounts, in the following order of priority, the requirements of each such account (including the making up of any deficiencies in any such account resulting from lack of Available Moneys sufficient to make any earlier required deposit) at the time of deposit to be satisfied before any transfer is made to any account subsequent in priority in an amount equal to the aggregate amount then due:

First: to the Interest Account, the aggregate amount of interest becoming due and payable on the next ensuing Interest Payment Date on all Notes then Outstanding; and

Second: to the Principal Account, the aggregate amount of principal becoming due and payable on the Outstanding Notes on the next ensuing principal payment date; provided that from the date of delivery of the Notes until the first principal payment date (if less than twelve months), the amount transferred to the Principal Account shall be sufficient to pay the principal becoming due and payable on said principal payment date.

Any moneys remaining in the Debt Service Fund after the foregoing transfers shall be transferred to the District.

Section 5.03. Application of Interest Account. All amounts in the Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying interest on the Notes as it shall become due and payable (including accrued interest on any Notes purchased or redeemed prior to maturity pursuant to this Indenture).

Section 5.04. Application of Principal Account. All amounts in the Principal Account shall be used and withdrawn by the Trustee solely for the purposes of paying the principal of the Notes when due and payable.

Section 5.05. Application of Redemption Fund. The Trustee shall establish and maintain within the Redemption Fund (which the Trustee shall establish, maintain and hold in trust) a separate Optional Redemption Account and a separate Special Redemption Account. All amounts deposited in the Optional Redemption Account and in the Special Redemption Account shall be used and withdrawn by the Trustee solely for the purpose of redeeming Notes, in the manner and upon the terms and conditions specified in Article IV, at the next succeeding date of redemption for which notice has not been given and at the redemption prices then applicable to redemptions from the Optional Redemption Account and the Special Redemption Account, respectively.

Section 5.06. No Investment of Moneys in Funds and Accounts. Any moneys in any of the funds and accounts held by the Trustee and established pursuant to this Indenture shall be held in cash, uninvested.

ARTICLE VI

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES OF NOTEOWNERS

Section 8.01. Events of Default. The following events shall be Events of Default:

(b) default in the due and punctual payment of any installment of interest on any Note when and as such interest installment shall become due and payable;

(c) default in the due and punctual payment of the amounts required by Section 5.01 of this Indenture in the amounts and at the times provided therefor;

(d) if any representation or warranty made by the District herein or in any document, instrument or certificate furnished to the Trustee or to the initial purchaser(s) of the Notes in connection with the execution and delivery of the Notes shall at any time prove to have been incorrect in any material respect as of the time made;

(f) if the District shall fail to observe or perform any covenant, condition, agreement or provision in this Indenture on its part to be observed or performed, other than as referred to in subsection (a), (b), (c) or (d) of this Section 8.01, or shall breach any warranty by the District herein contained, for a period of sixty (60) days after written notice, specifying such failure or breach and requesting that it be remedied, has been given to the District by the Trustee; except that, if such failure or breach can be remedied but not within such sixty (60) day period and if the District has taken all action reasonably possible to remedy such failure or breach within such sixty (60) day period, such failure or breach shall not become an Event of Default for so long as the District shall diligently proceed to remedy same in accordance with and subject to any directions or limitations of time established by the Trustee which period shall not be longer than one hundred eighty (180) days from the date of such written notice of such failure or breach;

(g) if a final judgment for the payment of money in excess of one million dollars (\$1,000,000) (whether or not covered by insurance) shall be rendered against the District and the same shall remain undischarged for a period of one hundred twenty (120) days during which the execution of such judgment shall not be effectively stayed;

(h) if the District files a petition in voluntary bankruptcy, for the composition of its affairs or for its corporate reorganization under any state or federal bankruptcy or insolvency law, or makes an assignment for the benefit of creditors, or admits in writing to its insolvency or inability to pay debts as they mature, or consents in writing to the appointment of a trustee or receiver for itself or for the whole or any substantial part of the Project;

(j) if, under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District or of the whole or any substantial part of the Project, and such custody or control shall not be terminated within sixty (60) days from the date of assumption of such custody or control.

Section 8.02. Acceleration of Maturities. If an Event of Default shall occur, then, and in each and every such case during the continuance of such Event of Default, the Trustee, at the written direction of the Owner, or the Owner shall be entitled, upon notice in writing to the District, to declare the principal of all of the Notes then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Indenture or in the Notes contained to the contrary notwithstanding.

Any such declaration, however, is subject to the condition that if, at any time after such declaration and before any judgment or decree for the payment of the moneys due shall have been obtained or entered, the District shall deposit with the Trustee a sum sufficient to pay all the principal or Redemption Price of and installments of interest on the Notes payment of which is overdue, with interest on such overdue principal at the rate borne by the respective Notes, and the reasonable charges and expenses of Trustee, and any and all other defaults known to the Trustee (other than in the payment of principal of and interest on the Notes due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall have been made therefor, then, and in every such case, the Owner, by written notice to the District and the Trustee, or the Trustee if such declaration was made by the Trustee, may, on behalf of the Owner, rescind and annul such declaration and its consequences and waive such default; but no such rescission and annulment shall extend to or shall affect any subsequent default, or shall impair or exhaust any right or power consequent thereon.

Section 8.03. Application of Available Moneys and Other Funds After Default. If an Event of Default shall occur and be continuing, all Available Moneys and any other funds then held or thereafter received by the Trustee under any of the provisions of this Indenture (subject to Section 5.01 of this Indenture) shall be applied by the Trustee as follows and in the following order:

(a) To the payment of any expenses necessary in the opinion of the Trustee to protect the interests of the Owner and payment of reasonable fees and expenses of the Trustee (including reasonable fees and disbursements of its counsel and accountants) incurred in and about the performance of its powers and duties under this Indenture;

(b) To the payment of the principal or Redemption Price of and interest then due on the Notes (upon presentation of the Notes to be paid, and stamping thereon of the payment if only partially paid, or surrender thereof if fully paid) subject to the provisions of this Indenture, as follows:

(i) Unless the principal of all of the Notes shall have become or have been declared due and payable,

First: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the persons entitled thereto, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of the unpaid principal or Redemption Price of any Notes which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, with interest on the overdue principal at the rate borne by the respective Notes, and, if the amount available shall not be sufficient to pay in full all the due on any date, together with such interest, then to the payment thereof ratably, according to the amounts of principal or Redemption Price due on such date to the persons entitled thereto, without any discrimination or preference.

(ii) If the principal of all of the Notes shall have become or have been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Notes, with interest on the overdue principal at the rate borne by the respective Notes, and, if the amount available shall not be sufficient to pay in full the whole amount so due and unpaid, then to the payment thereof ratably, without preference or priority of principal over interest, or of interest over principal, or of any installment of interest over any other installment of interest, or of any Note over any other Note, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference.

Section 8.04. Trustee to Represent Owner. The Trustee is hereby irrevocably appointed (and the successive respective Owner, by taking and holding the same, shall be conclusively deemed to have so appointed the Trustee) as trustee and true and lawful attorney-in-fact of the Owner for the purpose of exercising and prosecuting on their behalf such rights and remedies as may be available to the Owner under the provisions of the Notes, this Indenture, the Law, and applicable provisions of any other law. Upon the occurrence and continuance of an Event of Default or other occasion giving rise to a right in the Trustee to represent the Owner, the Trustee, upon the written request of the Owner, and upon being indemnified to its satisfaction therefor, shall, proceed to protect or enforce its rights or the rights of the Owner by such appropriate action, suit, mandamus or other proceedings as it shall deem most effectual to protect and enforce any such right, at law or in equity, either for the specific performance of any covenant or agreement contained herein, or in aid of the execution of any power herein granted, or for the enforcement of any other appropriate legal or equitable right or remedy vested in the Trustee or in the Owner under this Indenture, the Law or any other law; and upon instituting such proceeding, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver of the Available Moneys and other assets pledged under this Indenture, pending such proceedings. All rights of action under this Indenture or the Notes or otherwise may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any proceeding relating there to, and any such suit, action or proceeding instituted by the Trustee shall be brought in the name of the Trustee for the benefit and protection of the Owner, subject to the provisions of this Indenture. Nothing herein shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of the Owner any plan of reorganization, arrangement, adjustment, or composition affecting the Notes or the rights of the Owner thereof, or to authorize the Trustee to vote in respect of the claim of the Owner in any such proceeding without the approval of the Owner.

Section 8.05. Owner's Direction of Proceedings. Anything in this Indenture to the contrary notwithstanding, the Owner shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, to direct the method of conducting all remedial proceedings taken by the Trustee hereunder, provided that such direction shall not (a) be otherwise than in accordance with law and the provisions of this Indenture or (b) subject the Trustee to personal liability.

Section 8.06. Limitation on Owner's Right to Sue. The Owner shall have no right to institute any suit, action or proceeding at law or in equity, for the protection or enforcement of

any right or remedy under this Indenture, the Law or any other applicable law with respect to such Note, unless (a) the Owner shall have given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owner shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such suit, action or proceeding in its own name; (c) the Owner shall have tendered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Section 8.07. Absolute Obligation of District. Nothing in Section 8.06 of this Indenture or in any other provision of this Indenture, or in the Notes, contained shall affect or impair the obligation of the District, which is absolute and unconditional to pay the principal or Redemption Price of and interest on the Notes to the Owner at their respective dates of maturity, or upon call for redemption, as herein provided, but only out of the Available Moneys and other assets herein pledged therefor, or affect or impair the right of the Owner, which is also absolute and unconditional, to enforce such payment by virtue of the contract embodied in the Notes.

Section 8.08. Termination of Proceedings. In case any proceedings taken by the Trustee or the Owner on account of any Event of Default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or the Owner, then in every such case the District, the Trustee and the Owner, subject to any determination in such proceedings, shall be restored to their former positions and rights hereunder, severally and respectively, and all rights, remedies, powers and duties of the District, the Trustee and the Owner shall continue as though no such proceedings had been taken.

Section 8.09. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the Owner is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

Section 8.10. No Waiver of Default. No delay or omission of the Trustee or of the Owner to exercise any right or power arising upon the occurrence of any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Indenture to the Trustee or to the Owner may be exercised from time to time and as often as may be deemed expedient.

Section 8.11 Exercise of Remedies. Upon the occurrence of an Event of Default hereunder, the Trustee, at the written direction of the Owner and upon being indemnified to its satisfaction, or the Owner, may, either at law or in equity, by suit, action or other proceedings, protect and enforce the rights of the Owner hereunder, or enforce or compel the performance of any and all covenants and duties of the District hereunder.

ARTICLE IX
THE TRUSTEE

Section 9.01. Duties, Immunities and Liabilities of Trustee.

(a) The Trustee shall, prior to an Event of Default, and after the curing of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in this Indenture. The Trustee shall, during the existence of any Event of Default (which has not been cured), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) The District may remove the Trustee at any time unless an Event of Default shall have occurred and then be continuing, and shall remove the Trustee if at any time requested to do so by an instrument or concurrent instruments in writing signed by the Owner (or its attorneys duly authorized in writing) or if at any time the Trustee shall cease to be eligible in accordance with subsection (e) of this Section 9.01, or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or its property shall be appointed, or any public officer shall take control or charge of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, in each case by giving written notice of such removal to the Trustee, and thereupon shall appoint a successor Trustee by an instrument in writing.

(c) The Trustee may at any time resign by giving written notice of such resignation to the District and by giving the Owner notice of such resignation by mail at the addresses shown on the registration books maintained by the Trustee. Upon receiving such notice of resignation, the District shall promptly appoint a successor Trustee by an instrument in writing.

(d) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective upon acceptance of appointment by the successor Trustee. If no successor Trustee shall have been appointed and have accepted appointment within forty-five (45) days of giving notice of removal or notice of resignation as aforesaid, the retiring Trustee or the Owner may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such Court may thereupon, after such notice (if any) as it may deem proper, (a) order the District to appoint a successor Trustee, or (b) appoint such successor Trustee. Any successor Trustee appointed under this Indenture, shall signify its acceptance of such appointment by executing and delivering to the District and to its predecessor Trustee a written acceptance thereof, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the Request of the District or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the District shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the District shall give notice of the succession of such Trustee to the trusts hereunder by mail to the Owner. If the District fails to mail such

notice within fifteen (15) days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of the District.

(e) Any Trustee appointed under the provisions of this Section 9.01 in succession to the Trustee shall be a trust company or bank having the powers of a trust company having a corporate trust office in the State, having a combined capital and surplus (or the parent holding company of which has a combined capital and surplus) of at least fifty million dollars (\$50,000,000), and subject to supervision or examination by federal or state authority. If such bank or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this subsection the combined capital and surplus of such bank or trust (or holding) company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this subsection (e), the Trustee shall resign immediately in the manner and with the effect specified in this Section 9.01.

Section 9.02. Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be eligible under subsection (e) of Section 9.01 of this Indenture, shall be the successor to such Trustee without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

Section 9.03. Liability of Trustee.

(a) The recitals of facts herein and in the Notes contained shall be taken as statements of the District, and the Trustee assumes no responsibility for the correctness of the same, and makes no representations as to the validity or sufficiency of this Indenture or of the Notes, or shall incur any responsibility in respect thereof, other than in connection with the duties or obligations herein or in the Notes assigned to or imposed upon it. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful default. The Trustee may become the owner of Notes with the same rights it would have if it were not the Trustee, and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owner, whether or not such committee shall represent the Owner. The Trustee shall not be deemed to have knowledge of any Event of Default unless and until an officer at the Principal Corporate Trust Office responsible for the administration of its duties hereunder shall have actual knowledge thereof or the Trustee shall have received written notice thereof at the Principal Corporate Trust Office. The Trustee shall not be bound to inquire as to the performance or observance of any of the terms, conditions, covenants or agreements herein or of any of the documents executed in connection with the Notes, or as to the existence of any default or Event of Default thereunder. The Trustee shall not be responsible for the validity or effectiveness of any collateral given or held by it. As used herein, the term "actual knowledge" means the actual fact or statement of knowing, without any duty to make any investigation with regard thereto.

(b) The Trustee shall not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of enforced delay ("unavoidable delay") in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, acts of god or of the public enemy or terrorists, acts of a government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy,

material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to the Project, malicious mischief, condemnation, and unusually severe weather or delays of suppliers or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Trustee.

(c) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of its rights or powers. The Trustee shall be under no obligation to exercise any of the rights or powers vested in it hereby at the request, order or direction of the Owner unless the Owner shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities that may be incurred therein or thereby.

(d) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owner, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee hereunder.

(e) The Trustee shall not be accountable for the use or application by the District of any of the Notes or the proceeds thereof or for the use or application of any money paid over by the Trustee in accordance with the provisions of this Indenture or for the use and application of money received by any paying agent. The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and the Trustee shall not be answerable for other than its negligence or willful default. The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises. The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys, custodians or nominees appointed with due care, and shall not be responsible for any willful misconduct or negligence on the part of any agent, attorney, custodian or nominee so appointed. The Trustee shall have no responsibility or liability with respect to any information, statements or recitals in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of these Notes.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, entitlement order, approval or other paper or document.

Section 9.04. Right of Trustee to Rely on Documents. The Trustee shall be protected in acting upon any notice, resolution, request, consent, requisition, order, certificate, report, opinion, note, statement, facsimile transmission, electronic mail or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Before the Trustee acts or refrains from acting, the Trustee may consult with counsel, who may be counsel of or to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accord therewith.

Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate of the District, and such Certificate shall be full warrant to the Trustee for any action taken or suffered in good faith under the provisions of this Indenture in reliance upon such Certificate, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods, provided, however, that, the Trustee shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. If the District elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The District agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

Section 9.05. Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times to the inspection of the District and the Owner, and their agents and representatives duly authorize in writing, at reasonable hours and under reasonable conditions.

Section 9.06. Compensation of Trustee. The District covenants to pay to the Trustee from time to time, but only out of Available Moneys, and the Trustee shall be entitled to, reasonable compensation for all services rendered by it in the exercise and performance of any of the powers and duties hereunder of the Trustee, and the District will pay or reimburse the Trustee upon its request, but only out of Available Moneys, for all expenses, disbursements and advances incurred or made by the Trustee in accordance with any of the provisions of this Indenture (including the reasonable compensation and the expenses and disbursements of its counsel and of all persons but regularly in its employ) except any such expense, disbursement or advance as may arise from its negligence or willful default.

Upon an Event of Default, and only upon an Event of Default, the Trustee shall have a first lien with right of payment prior to payment on account of principal of and premium, if any, and interest on any Note, upon the trust estate for the foregoing fees, charges and expenses incurred by it. When the Trustee incurs expenses or renders services after the occurrence of an Event of Default, such expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

Section 9.07. Indemnification. The District covenants to indemnify the Trustee and its officers, directors, agents and employees and to hold it and them harmless to the extent permitted by law against any loss, liability, expenses or advance, including fees and expenses of counsel and other experts, incurred or made without negligence or willful default on the part of the Trustee, in the exercise and performance of any of the powers and duties hereunder by the Trustee, including the costs and expenses of defending itself against or investigating any claim of liability arising under this Indenture. The provisions of this Section 9.07 shall survive the removal or resignation of the Trustee or the termination of this Indenture.

ARTICLE X

MODIFICATION OR AMENDMENT OF THIS INDENTURE

Section 10.01. Amendments Permitted.

(a) This Indenture and the rights and obligations of the District, the Owner and the Trustee may be modified or amended from time to time and at any time by a Supplemental Indenture, which the District and the Trustee may enter into with the written consent of the Owner filed with the Trustee.

(b) The Trustee may in its discretion, but shall not be obligated to, enter into any such Supplemental Indenture which materially affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

(c) Prior to entering into any Supplemental Indenture, the Trustee may require the District to file with it an opinion of counsel of recognized standing in the field of law relating to municipal notes, to the effect that the execution and delivery of such Supplemental Indenture by the Trustee and the District is in compliance with the terms and conditions hereof.

Section 10.02. Effect of Supplemental Indenture. From and after the time any Supplemental Indenture becomes effective pursuant to this Article X, this Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the District, the Trustee and the Owner shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 10.03. Endorsement of Notes; Preparation of New Notes. Notes delivered after any Supplemental Indenture becomes effective pursuant to this Article X may, and if the Trustee so determines shall, bear a notation by endorsement or otherwise in form approved by the District and the Trustee as to any modification or amendment provided for in such Supplemental Indenture, and, in that case, upon demand of the Owner at the time of such execution and presentation of his Note for the purpose at the Principal Corporate Trust Office or at such additional offices as the Trustee may select and designate for that purpose, a suitable notation shall be made on such Note. If the Supplemental Indenture shall so provide, new Notes so modified as to conform, in the opinion of the District and the Trustee, to any modification or amendment contain in such Supplemental Indenture, shall be prepared and executed by the District, and upon demand of the Owner shall be exchanged at the Principal Corporate Trust Office, without cost to the Owner, upon surrender for cancellation of such Notes.

Section 10.04. Amendment of Particular Notes. The provisions of this Article X shall not prevent the Owner from accepting any amendment as to the particular Notes held by him, provided that due notation thereof is made on such Notes.

ARTICLE XI

DISCHARGE OF INDENTURE

Section 11.01. Discharge of Indenture. Notes may be paid by the District in any of the following ways; provided that the District also pays or causes to be paid any other sums payable hereunder by the District:

(a) by paying or causing to be paid the principal or Redemption Price of and interest on Notes Outstanding, as and when the same become due and payable; or

(b) by delivering to the Trustee, for cancellation by it, Notes Outstanding.

If the District shall pay all Notes Outstanding and shall also pay or cause to be paid all other sums payable hereunder by the District, then and in that case, and notwithstanding that any Notes shall not have been surrendered for payment, this Indenture and all covenants, agreements and other obligations of the District under this Indenture shall cease, terminate, become void and be completely discharged and satisfied. In such event, upon Request of the District, the Trustee shall cause an accounting for such period or periods as may be requested by the District to be prepared and filed with the District and shall execute and deliver to the District all such instruments as may be necessary or desirable to evidence such discharge and satisfaction, and the Trustee shall pay over, transfer, assign or deliver to the District all moneys or securities or other property held by it pursuant to this Indenture which are not required for the payment or redemption of Notes not theretofore surrendered for such payment or redemption.

ARTICLE XII
MISCELLANEOUS

Section 12.01. Successor Is Deemed Included in All References to Predecessor. Whenever in this Indenture either the District or the Trustee is named or referred to, such reference shall be deemed to include the successors or assigns thereof, and all the covenants and agreements in this Indenture contained by or on behalf of the District or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 12.02. Limitation of Rights to Parties and Owner. Nothing in this Indenture or in the Notes expressed or implied is intended or shall be construed to give to any person other than the District, the Trustee and the Owner, any legal or equitable right, remedy or claim under or in respect of this Indenture or any covenant, condition or provision therein or herein contained; and all such covenants, conditions and provisions are and shall be held to be for the sole and exclusive benefit of the District, the Trustee and the Owner.

Section 12.03. Waiver of Notice. Whenever in this Indenture the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 12.04. Destruction of Notes. Whenever in this Indenture provision is made for the cancellation by the Trustee and the delivery to the District of any Notes, the Trustee may, in lieu of such cancellation and delivery, destroy such Notes, and deliver, upon the District's request, a certificate of such destruction to the District.

Section 12.05. Severability of Invalid Provisions. If any one or more of the provisions contained in this Indenture or in the Note shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions contained in this Indenture and such invalidity, illegality or unenforceability shall not affect any other provisions of this Indenture, and this Indenture shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. The District hereby declares that it would have entered into this Indenture and each and every other Section, paragraph, sentence, clause or phrase hereof and authorized the issuance of the Notes pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses or phrases of this Indenture may be held illegal, invalid or unenforceable.

Section 12.06. Notice to District and Trustee. Any notice to or demand upon the Trustee may be served or presented, and such demand may be made, at the Principal Corporate Trust Office located at 700 South Flower Street, Suite 500, Los Angeles, CA 90017, Attention: Corporate Trust. Any notice to or demand upon the District shall be deemed to have been sufficiently given or served for all purposes by being deposited, postage prepaid, in a post office letter box, addressed, as the case may be, to the District at 700 River Drive, Fort Bragg, CA 95437, Attention: Chief Executive Officer (or such other address as may have been filed in writing by the District with the Trustee).

Section 12.07. Evidence of Rights of Owner. Any request, consent or other instrument required or permitted by this Indenture to be signed and executed by the Owner shall be signed or executed by the Owner in person or by an agent or agents duly appointed in writing. Proof of the execution of any such request, consent or other instrument or of a writing appointing any such agent, or of the holding by any person of Notes transferable by delivery, shall be sufficient

for any purpose of this Indenture and shall be conclusive in favor of the Trustee and of the District if made in the manner provided in this Section 12.07.

The fact and date of the execution by any person of any such request, consent or other instrument or writing may be proved by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgments of deeds, certifying that the person signing such request, consent or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution duly sworn to before such notary public or other officer.

The ownership of Notes shall be proved by the note registration books held by the Trustee.

Section 12.08. Disqualified Notes. In determining whether the Owner of the requisite aggregate principal amount of Notes have concurred in any demand, request, direction, consent or waiver under this Indenture, Notes which are owned or held by or for the account of the District or the District, or by any other obligor on the Notes, or by any person directly or indirectly controlling or controlled by, or under direct or indirect common control with the District or the District or any other obligor on the Notes, shall be disregarded and deemed not to be Outstanding for the purpose of any such determination; except that in determining whether the Trustee shall be protected in relying upon any such demand, request, direction, consent or waiver of an Owner, only Notes which the Trustee actually knows to be so owned or held shall be disregarded unless all Notes are so owned or held, in which case such Notes shall be considered Outstanding for the purpose of such determination. Notes so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this Section 12.08 if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such Notes and that the pledgee is not a person directly or indirectly controlling or controlled by, or under direct or indirect common control with, the District or the District or any other obligor on the Notes. In case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee.

Section 12.09. Money Held for Particular Notes. The money held by the Trustee for the payment of the interest, principal or Redemption Price due on any date with respect to particular Notes (or portions of Notes in the case of registered Notes redeemed in part only) shall, on and after such date and pending such payment, be set aside on its books and held in trust by it for the Owner, but without any liability for the interest thereon.

Section 12.10. Funds and Accounts. Any fund required by this Indenture to be established and maintained by the Trustee may be established and maintained in the accounting records of the Trustee, either as a fund or an account, and may, for the purposes of such records, any audits thereof and any reports or statements with respect thereto, be treated either as a fund or as an account; but all such records with respect to all such funds shall at all times be maintained in accordance with customary standards of the corporate trust industry, to the extent practicable, and with due regard for the protection of the security of the Notes and the rights of the Owner.

Section 12.11. Article and Section Headings and References. The headings or titles of the several Articles and Sections hereof, and any table of contents appended to copies hereof, shall be solely for convenience of reference and shall not affect the meaning, construction or effect of this Indenture.

All references herein to "Articles," "Sections" and other subdivisions are to the corresponding Articles, Sections or subdivisions of a Indenture; the words "herein," "hereof," "hereby," "hereunder" and other words of similar import refer to this Indenture as a whole and

not to any particular Article, Section or subdivision hereof; and words of the masculine gender shall mean and include words of the feminine and neuter genders.

Section 12.12. Waiver of Personal Liability. No Board member, officer, agent or employee of the District shall be individually or personally liable for the payment of principal or Redemption Price of or interest on the Notes or be subject to any personal liability or accountability by reason of the issuance thereof; but nothing herein contained shall relieve any such Board member, officer, agent or employee from the performance of any official duty provided by law or by this Indenture.

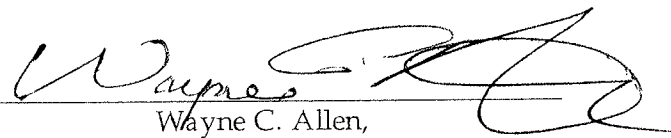

Section 12.13. Execution in Several Counterparts. This Indenture may be executed in any number of counterparts and each of counterparts shall for all purposes be deemed to be an original; and all such counterparts or as many of them as the District and the Trustee shall preserve undestroyed, shall together constitute but one and the same instrument.

Section 12.14. Governing Law. This Indenture shall be construed in accordance with and governed by the Constitution and laws of the State.
